

GLOBAL PHARMA

Medical Equipment, Hospital Instruments & Lab Supplies

# Product Catalog

# Quality Medical Supplies at the Right Price

At Global Pharma, our goal is to provide high quality medical supplies and medical equipment at low prices. Customer excellence is a top priority and it always will be. We aim for the best order fulfilment and highest customer satisfaction, and doing so with integrity.

We are continuously expanding our product selection. We strive to make your buying experience fast, convenient and affordable.

Global Pharma received the Value Creation Partner Award in 2015 and the Enterprise Partner Award in 2017 from SingHealth.

In 2016, the prestigious Singapore Enterprise Medal of Honour was awarded to Global Pharma as a recognition of being trustworthy, reliable and outstanding.

## About Us

Global Pharma was founded in early 2005 in Indonesia. Through our vision and commitment to providing premium quality medical products with unsurpassed service, we have been able to grow without compromising our level of service. In May 2009, we set up our head quarter in Singapore and is now the sole agent for GP Care, COSMO Med and Winner Medical.

Our company has been supplying medical and surgical equipment and supplies to individuals, caregivers, clinics, medical professionals, schools, laboratories, nursing homes, government and private hospitals, and medical facilities for over a decade.

## Our Mission

Our mission is to provide the absolute best service and selection on quality medical equipment and supplies while maintaining affordable prices to health care providers and end users, improving patient care and enhancing the quality of peoples' lives. We continuously look to improve, expand and broaden our existing product lines and service.

## Our Vision

Our vision is to become a major distributor in the healthcare industry. We will continue to play a pioneering role in regional medical supply chains. By providing good quality products at competitive prices, we will drive improvements in healthcare standard around Asia.
